

Congress Has Kicked the Cyber Hornet's Nest

Bitcoin Magazine
August 12, 2021

Joe Carlasare's co-authored article, "Congress Has Kicked the Cyber Hornet's Nest," that was published by Bitcoin Magazine explains how and why the Bitcoin community was so impactful to policymakers during the debate over the proposed infrastructure bill. Joe and his co-author go on to share current statistics and why politicians need to start embracing the technology.
