

Legal Battles Surrounding NEC & Infant Formula: Exploring the Litigation

Publication

The Milk Bank

April 13, 2024

In an article published by *The Milk Bank*, Angka Hinshaw along with her co-author give a synopsis of Necrotizing enterocolitis (NEC) and background on Enfamil and Similac; two leading brands of baby formulas. The article goes on to describe current litigation against the two brands including a recent \$60 million dollar verdict against Mead.

You can read Angka's full article on *The Milk Bank's* website.
