

Prioritize Employee Mental Health: To Help Attract and Retail Talent

Publication
Hoosier Banker
September/ October 2022

Mental health illnesses have been on the rise since the COVID-19 pandemic. Debra Mastrian's article in the September/ October 2022 edition of *Hoosier Banker* advises employers to prioritize their employees' mental health by putting resources in place and confirming that their employees know they are available.

You can read Debra's full article in the September/ October 2022 edition of *Hoosier Banker*.
