 bwalsh@wiley.law

Brian counsels and represents government contractors and subcontractors, as well as federal and state grant recipients, on a broad range of government contracts matters, including contract claims and disputes, teaming and subcontracting issues, data rights and intellectual property issues, government investigations and audits, and compliance with ethics and procurement integrity laws. He further represents clients in bid protests before the Government Accountability Office (GAO) and the U.S. Court of Federal Claims (COFC) and has litigated hundreds of protests at these forums.

Brian also actively participates in Wiley's pro bono program and has assisted clients in achieving successful results in a variety of different areas, including parole hearings, divorce and custody matters, and landlord-tenant disputes.

Representative Matters

- Litigates bid protests before agencies, the GAO and the COFC.
- Counsels clients in the development of government contracts ethics and corporate compliance programs.
- Represents and counsels health care clients in protests and contract administration matters relating to Defense Health Agency and Centers for Medicare & Medicaid Services contracts.
- Defends clients proposed for suspension and/or debarment from contracting with the federal government.
- Represents government contractors in claims and disputes before the COFC and the Boards of Contract Appeals.

Practice Areas

Government Contracts
Litigation
