

Hume M. Ross

Associate

 202.719.7296

 hross@wiley.law

Hume advises clients regarding federal and state regulatory compliance and in related litigation and administrative proceedings. A former practicing civil engineer, he focuses on the chemical, construction, consumer product, and insurance industries.

Representative Matters

- Advises manufacturers and trade associations regarding compliance with the Endangered Species Act (ESA), the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), the Toxic Substances Control Act (TSCA), and other environmental laws and regulations.
- Consults regarding requirements for product and service offerings arising from building, energy, and safety codes, the Clean Air Act (CAA), and the Occupational Safety and Health Act (OSHA).
- Conducts regulatory due diligence in connection with mergers and acquisitions.
- Counsels insurers in a variety of professional liability matters, with a focus on construction-defect, environmental contamination, and cybersecurity.

Professional Experience

- Law Clerk, U.S. International Trade Commission (USITC), Office of Unfair Import Investigations (2015)
- Civil Engineer, VStructural, LLC (VSL) (2006-2014)
