

April/May/June 2012 FCC Deadlines

December 2011

2nd Quarter Deadlines

Form 398–Children's Television Programming Reports. The deadline for television stations (including Class A stations) to file **1st Quarter** Children's Television Programming Reports is **April 10**. This filing must be submitted electronically on the FCC Form 398 and a copy placed in the station's local public file.

Commercial Compliance Certification. All commercial television stations (including Class A stations) must place a certificate documenting compliance with the Commission's rules regarding commercial limits and the display of website addresses during programs for children ages 12 and under in the station's public file by **April 10**.

Quarterly Issues and Programs List. All television (including Class A) and radio stations must place a list of community issues addressed by the station in the station's local public file by **April 10**. This list must contain a brief description of the issues covered, the program that provided the coverage, the date, time, duration and title of each program, for the months of January, February and March.

Form 388–DTV Quarterly Activity Station Report. A television station that has not completed its digital transition remains subject to the FCC's DTV consumer education requirements until the station's final DTV facility is complete (*i.e.*, stations operating pursuant to a phased transition STA). Any station which has not completed its transition will need to file a Form 388 by **April 10** to report DTV education efforts made during the 1st quarter. This filing must be submitted electronically. A copy must be placed in the public file and, if the station has a website, posted on the station's website and maintained on the website for one year.

Ownership Reports

Noncommercial Radio Stations: By **April 1**, noncommercial radio stations located in **Delaware, Indiana, Kentucky, Pennsylvania** and **Tennessee** must file a biennial ownership report on the Form 323-E.

Noncommercial Television Stations: By **April 1**, noncommercial television stations located in **Texas** must file a biennial ownership report on the Form 323-E.
