Wiley Rein Wins *Law360*'s "Practice Groups of the Year" Honors for Government Contracts, Insurance, and International Trade

December 22, 2014

Washington, DC - Wiley Rein's prominent Government Contracts, Insurance, and International Trade Practices have been named among the best in the nation by *Law360*. The publication's "Practice Groups of the Year" award is given to firms that "came through for their clients in 2014, sealing the big deals and winning the high-stakes suits."

This is the fifth year that the International Trade Practice, chaired by Alan H. Price, has won the *Law360* honor, and the Group is one of only two law firms in the country that have made the list for five consecutive years.

Law360 received a record 683 submissions for the series—now in its fifth year—and selected 158 winners across 26 practice areas for honors. Sixty-nine law firms received one or more "Practice Groups of the Year" awards this year. Feature profiles on each practice will appear in *Law360* next year.
