

Wiley Rein LLP Statement on Confirmations of Commissioners Carr and Starks for New FCC Terms

October 2, 2023

Wiley Rein LLP issued the following statement regarding the U.S. Senate confirmations to the Federal Communications Commission:

“Congratulations to our former colleague Commissioner Brendan Carr and to Commissioner Geoffrey Starks on their confirmations to serve another term on the Federal Communications Commission.

Commissioners Carr and Starks have dedicated themselves to public service in myriad ways, including promoting 5G expansion, protecting the security of our communications networks, driving innovative spectrum policies, increasing competition, and expanding affordable broadband. We look forward to continuing to work with them on behalf of our clients.”
