

AI Around the Globe: What to Know in 2024

Wiley Connected

January 3, 2024

In this Wiley Connected podcast, hear from Wiley Partners Amb. David Gross, Duane Pozza, Joan Stewart, and Consulting Counsel Jacqueline Ruff about the latest in international developments surrounding Artificial Intelligence (AI). The topics discussed include the Biden Administration AI Executive Order (EO), the role of the Organization for Economic Cooperation and Development (OECD) and the United Nations (UN) regarding AI, and the EU's landmark AI Act.
