

# Pay to Play Risk is High due to New Jersey 2021 Elections: Reduce your risk now!

---

## *Political Law Podcast*

April 27, 2021

In this episode, partner Mark Renaud discusses Pay-to-Play laws as they apply in light of the 2021 gubernatorial and other elections in New Jersey. He covers what a Pay-to-Play law is and its function within the government contracting space before reviewing how these specific laws apply in New Jersey's current election cycle. Finally, he discusses how to ensure that your organization reduces its pay-to-play risk at the state and local levels in NJ and across the country.
