April 23, 2024

It's the 13th episode of Hosted Payload, and the writing's on the wall. Superstitious or not, Rachel Jewett from Via Satellite and the *On Orbit* podcast and host Henry Gola lean into the theme and discuss the 1995 movie Apollo 13. Meanwhile, Chloe Hawker helps us believe in satellite and space law updates we don't understand on the Orbital Debrief.
